Customer Reviews

Lots of worthwhile articles. HBR does a good job with its collections. The only knock would be that some of these articles are available on the Internet free of charge.

Honestly this is a seminal read for anyone involved in marketing. One Article, originally published in

the 60's, was far ahead of its time and still extremely relevant.

Fantastic read
Easy to read
Very relevant topics
We'll structured and progressive like HBR
Excellent for getting a grip on the consumer experience and understand a bit more about the Marketing cycle

HR how can you go wrong?!

I like this read, easy to follow in a down to earth language

Awesome read. Covers 10 classic marketing cases.
Marketing myopia is an outstanding chapter

excellent book for double sure

Very nice collection of the "best of the best" articles!
