Mennonite Foods & Folkways From South Russia, Vol. 2

Synopsis

The Mennonites of Russia had a particular story and history, as well as a particular food tradition. A Russian Mennonite herself, Normal Jost Voth interviewed persons whose lives spanned from Chortitza in south Russia to Newton, Kansas, and from the Molotschna to Winnipeg, Manitoba. Their memories of orchards and gardens, Faspa and weddings, food preservation and wheat harvest fill this volume. In addition, there are more than 100 recipes (different from those in Volume I/, as well as typical menus and menus for special occasions. "Meticulously researched chronicle of the Russian Mennonite." -- Publishers Weekly

Customer Reviews

No Bio

...but not revelatory of my own family's experience of Mennonite life. However, although my forebears also came through the Russian experience, their culture may have greatly changed after immigration to Canada and the U.S. Much of the culture described in relation to food was surprising to me and different from my own.

COPY WAS PRETTY SCUFFED

I love the stories about the culture and life in Russia. The variety of recipes in each section show the

variation among cooks. Gives you freedom to create your own variation.

This book includes good old fashioned Mennonite food recipes from South Russia (now Ukraine) including Mennonite culture with insights into Mennonite history as well.

It is a pretty good follow up to the first book. Even if you don't have the first book, you can enjoy the second.

Appreciate this volume, as well as Vol 1, as this is my history too. The author has done an amazing job.

Thank you for sending it so quickly. It was like new. I bought it for my brother, who had borrowed mine several years ago. I had gotten mine from my daughters for Christmas so I asked for it back, and when I saw this, especially at such a reasonable price, I thought - 'I'll just buy this for him'. So I'm sure he'll enjoy having his own when I mail it to him. Thank you. Luanna Voth

This book was everything I expected! My Grandmother was born in South Russia, coming to America at age two. Some of the foods mentioned in the book are familiar to me. Also some of the customs and family names mentioned are familiar to me.
