31 Days of Praise- Enjoying God Anew by Ruth Myers is a must read book for every Christian. The book is broken mainly into three specific parts. Part One is designated as the "How To" chapter as well as an invitation into entering into praise with scriptural support and definition of praise and how it is instrumental to worship." Praise can be quiet and meditative. But it can also include celebrating and exulting in the Lord's majesty and splendor, His sovereignty, His limitless power, and His bountiful love-which we do not in the least deserve. In praise we exalt and magnify Him. Praise includes speaking highly of God to other people, as well as directly to Him."It is mentioned that one of Satan's strategies is diverting Christians from praise, and I wholeheartedly agree. How often do we find ourselves grumbling, complaining, cursing in response to the small details of the day. Part Two is the actual 31 Day plan of practicing praising God. These day by day scripture referenced pages of prayers will do the same thing for your prayer life that physical exercise does for your body. Initially the benefits seem unseen, but they allow for a wonderful paradigm shift that we all need and desire at the core of our being. Confidence in the presence of God and stronger faith in all circumstances is the goal of every Christian for in these we glorify God. Part Three seals the deal on the importance of choosing praise in light of our unique purpose, despite circumstances, secular values, and for victory in our daily walk on this earth."Through praise you give God something no one else in Heaven or Earth can give: the love and adoration of your heart.""Did you know that praise can help you fulfill your destiny, your chief purpose in this life and the next? The Westminster Catechism condenses volumes of scriptural truth when it says: The chief end of man is to glorify God and to enjoy Him forever."This book is both rich and concise with truth. Not a word is wasted. Heavily hi-lighted and highly recommended I offer this excellent book, Christian resource and review with hopes that you will be empowered and blessed at the outcome of reading it for yourself. *I bought this book myself and am reviewing it because I believe it is worthy of sharing my thoughts and opinions. I do a blogging program with Blogging For Books through Waterbrook/Multnomah but this particular book was not one received as part of that program. I chose to add the link for convenience and further information as a courtesy to my readers.

I love this book. I have been through it numerous times over the years. When I finish, I start over again. I can't give it a high enough rating! It is filled with encouragement and praise from Scripture. For someone is who experiencing some tough things in life, and who isn't these days, if this little

book can't bring you back to praising the Lord, I'm not sure what will. There is no way you can get through it in 31 days. I usually read each "day" a few days in a row before moving on. The text is essentially the recommended verses put into paragraph form with some added comments. I like that it is Scripture speaking to me rather than just an author. This time around I bought a small Bible to use in conjunction with this book only. I highlight the verses in the Bible as I read through the book. Now it is filled with verses of praise and encouragement that stand out. Love it!! I have given this book to numerous folks over the years. I just keep ordering more all the time. Some are for those going through hard times and others are for friends who are simply enjoying life. Everyone has really appreciated it. Now I've got another friend who is also handing them out to those who can use more praise in their life and words of encouragement. She has also ordered numerous times. There are very few devotional writers whom I truly enjoy. I'm a person who simply enjoys Scripture for what it is. However, this book is so encouraging because of how it incorporates the Scripture. I also appreciate that the author is someone who has experienced life's ups and downs. She speaks from years of experience, not just to sell books or address the latest "spiritual" fads. She has other books out, of which I have one that I've just started. I can already tell that it will be another fabulous experience to go through.

This little book is a gem of praise for God. I received one from a dear friend and felt another friend would also enjoy.

This was probably at least my 15th purchase of this book. I feel like it is one of the best gifts I can give. Someone gave it to me when I was going through a serious illness 8 or 9 years ago, and I continue to read it as a devotion on and off. As someone blessed me with this gift; I like to pay it forward as they say, and gift it to others. Gift yourself with it, and you will be blessed.

This is one of my favorite books - something I go to again and again to re-set my perspective and remind me how great God is no matter what I'm going through.

I have read and reread this book many times, and have given it as a gift to many others. It has truly impacted my life. The 1st section of the book is about the profits of praise, while the 2nd section contains 31 prayers that have been formulated from actual Scripture verses that are referenced in the back of the book. It is the kind of book that every follower of Jesus Christ should read and use. I highly recommend it!

One of my all-time favorite devotional books. Just so uplifting.

This book is AWESOME. One of my all time favorites. (this copy was for a gift)
