Bunny Williams On Garden Style

Synopsis

First published in 1998, *On Garden Style* established Bunny Williams as a reputable expert on gardens. In *Bunny Williams on Garden Style*, Williams visits impeccably designed gardens around the world, shedding light on the key components that make a garden so appealing and idyllic. For Williams, gardens offer an escape, and she imparts vital information on how to envision your garden and design a space that translates into a lush sanctuary reflecting your taste and style. Once you've imagined your garden, Williams offers advice for bringing it to fruition—the garden structure, furnishing the space, and establishing an aesthetic. The book also includes plant lists, a reading list, and more. Filled with new photography of spectacular gardens, this latest volume is both a wonderful inspiration and a practical guide to gardening from one of the world's most renowned design experts. Also available from Bunny Williams: *An Affair with a House* and *A House by the Sea*.

Bunny Williams is an interior designer, a home furnishings and accessories brand, and co-founder of the company Treillage. She is the author of *STC's An Affair with a House*, *Point of View*, and *Scrapbook for Living*. Her work appears regularly in *House Beautiful*, *ELLE Decor*, and the *New York Times*. She divides her time among New York, Connecticut, and the Dominican Republic.

Fantastic book that provides lots of food for thought on the garden design front. Introduces a "vocabulary" of garden style that is very helpful when thinking about your own garden, or enjoying other gardens!

Just when one thinks there cannot possibly be another classic garden tome born, Bunny Williams produces a spectacular volume worthy of its place on the 'Classic Gardening' shelf.

Beautifully done, interesting text as well.

Was eager for this to arrive. Love book and appreciate good, quick delivery.

Beautiful book at good price! Great for garden lovers and dreamers.

I also have An Affair with a House, which I love. Marvelous.

Love how Bunny "grouped" the various parts of the book. Beautiful photography. I was able to relate to most of the book because of her easy readable writing style! A GREAT addition to my garden library!

Bunny Williams created an excellent collection of garden styles for this good book!
