# Amethyst (Dakotah Treasures Book #4)

## **Synopsis**

Dakotah Treasures Book 4- Major Jeremiah McHenry is retiring from the army and returns to Medora to make a new life and find a wife. Will he be able to convince feisty newcomer Amethyst O'Shaunasy that he is the kind of man she's been looking for? Jacob Chandler, meanwhile, is still waiting until he can court Opal Torvald. Can he prove to Opal that she will make a fine preacher's wife?

## **Customer Reviews**

Loved this series. Ruby, Pearl, Opal, and Amethyst we're all great stories and each one adding characters as the story went along made it a great read.

Amethyst is my kind of person; she is not afraid of hard work, she is creative, she doesn't let difficult circumstances get her down, and she isn't afraid to go after what she wants. During all of this, her faith grows with only little occasional dips. Amethyst is sent out west to retrieve her nephew (or is he?) so he can inherit the family property which has only survived because of her hard work due to

her father's drinking. She falls seriously ill along the way and is befriended by an older lady she has met on her train ride to the Dakotah Territory. She finally arrives in Little "Misery" when it is indeed being miserable -a blizzard and almost dies again while trying to reach a boarding house run by Pearl and Carl from previous Treasure stories. She finds her nephew,becomes good friends with Pearl, and meets a certain dashing Major who has just retired from the Army to return to his favorite place and friends to settle down permanently.Amethyst is offered a business opportunity which would take her to Chicago, away from her new friends, her nephew, and the very nice Major. Where will she end up? Will she have to choose? What has God planned?

I got this the first book in this series for free on my Kindle and read it because I needed a light fiction book, something mindless. By the end of the book I was hooked on the story and had to buy the rest of the books in the series to find out what happens to the characters and story! I did not expect to get hooked because the book seemed childish in its setup and story, but I came to LOVE the story and the characters, and actually cared about what happened to them. Rather I was anxious to find out how the story continued. This series is actually really fun! If you can get into an old-west story and appreciate simple fiction. Also found the Christian themes in it to be mind-stirring at times as the characters wrestled through their situations.If you're going to read this, start at book #1, RUBY, and enjoy the whole thing!

Interesting learning about the early days of history and the work it took to settle this country!

Loved the whole series and was ready for the next part to hear about Amethyst's business!what a gem it was!

This is a refreshing book with no offensive language, sexual tones, or violence and I LOVE her writing. It is such fun to read - even though fiction - about people immigrating to America from the Scandinavian countries too.

In all of the 4 of the books from this series, the women were either running from something or trying to find out who they were. I so admired how Amethyst did not remain in the belief that she was less than. Yes, she was sent on a trip and did not purpose to find out who God thought that she was, but she took advantage of where the Lord brought her and what He brought in her path. Remember, readers, YOU ARE God's treasure, and YOU ARE loved as a precious child of God. He DOES

HAVE a plan for you!!

Loved this whole series.
