When Comes The Spring (Canadian West #2)

Synopsis

Elizabeth, the cultured young schoolteacher from the East, has braved the western frontier and spent a year teaching in a one room schoolhouse. Now she and Wynn are planning their wedding and their new life together at his outpost in the far north. While Wynn is accustomed to life in the north, Elizabeth is not. Can their love for each other sustain them through a harsh winter, loneliness, and rigors of life without any of the conveniences they're used to? Book 2 of the bestselling Canadian West series.

Customer Reviews

Janette Oke, recipient of the 1992 E.C.P.A. President's Award and the 1999 C.B.A. Life Impact Award for her significant contribution to the Christian book industry, has also won both the Gold Medallion Award and the Christy Award for fiction. Janette and her husband, Edward, live in Alberta, Canada.

The story is well written and holds one's attention easily. Elizabeth and Wynn begin their new life in the North and this book is about the trip there and the 1st year. In true Elizabeth fashion, she is much stronger than she's ever thought. The North's challenges are many and the Delaney couple must become true members of the community, even with the difficulty of not having a common language even. Don't miss this book!!!

I love these books. I really do. They are sweet stories. My biggest criticism is that Wynn is too good to be true. We see all of Elizabeth's character flaws, but Wynn is just a superhero. He had perfect judgement, faith, skills. He can do anything and never makes a mistake. It's just not realistic and gets old sometimes. That being said, I totally have a crush on Wynn.

I received it much faster than expected, which is great because I am so excited to read this book. The book is in immaculate condition. The package it came in was unusual, but very durable. This book series is so heartwarming. If you are watching the show on tv, it isn't a whole lot like this it. I am very pleased with my purchase.

I chose the 5 star rating because the writer of this book deserves it. No doubt I will never meet Janette Oke in this life but I have no doubt that we will meet in the place the risen Jesus has gone to prepare for those who love him and are called according to His purpose. Janette's writings are just another reason to look forward to eternity with Jesus. It is apparent that she writes from a heart where the Holy Spirit dwells. Never have I found anything inappropriate in her writings. I thank God for that.

I really enjoyed this book. It was a great follow up to When Calls the Heart #1 in this series. The development of the characters of Wynn and Elizabeth are so exciting and I love the story. Jeanette Oke is a great writer and she makes you become friends with the characters. I began to think of them as family. I cried with Elizabeth when she couldn't have a child. You could feel her pain it was so well developed. It was great to experience the loss and gain that Elizabeth had of her faith. It made me realize, as Elizabeth did, that God is there and he allows some things to happen that we can't understand. It is our duty to trust and believe that he will make things right in the end. He did make things right with Elizabeth once she trusted him. The over all development of this book and the ones in this series are so full of developing characters. You learn things about Wynn and his faith. You learns things about Elizabeth and her struggle to have an enduring faith. You see how God is always there for us to keep learning about him. You learn how hard it was for Elizabeth to trust God when others got pregnant and she couldn't. I love the fact that Wynn never lost faith. He always believed God and God was there for him. Again this is a great book.

Loved it, love the Series on which it's based. Simply fun to read. Never thought I'd enjoy "historical fiction" but it was as comfortable as if my dear Grandma was sitting in her rocker telling this story to

me, as if she knew the characters personally. Warm fuzzies!

Everything she writes holds me captive until I read the last page. The T.V. show took me in, now I have to read all she writes. Ready for the next book.

This a love story filled with adventure! Elizabeth, wealthy cultured lovely young woman decided to take a teaching post in a remote western town. Enter handsome Mounty! He was very worried she could not handle the hardships of a Mountie's wife - she worked hard to prove her ability to adapt. A couple of months before their wedding his orders came thru, "Leave within 3 weeks for new post. "A quick, but beautiful wedding was put together in record time. Before Elizabeth could catch her breath she was on a train, a barge and then a wagon going deeper and deeper in the wilderness. Elizabeth's life was soon filled with trappers, native Indian tribes, and wild dangerous weather. Elizabeth learned to love the people and the wilderness. She and her Mounty husband became a great team, he soon wondered how he ever survived before without his Elizabeth!!
