Rachmaninoff -- Fantasy Pieces, Op. 3 (Alfred Masterwork Edition)

Synopsis

This edition is based on the first editions corrected by the composer and the versions found in The Complete Works of Rachmaninoff published in Russia since 1949. Brief analyses, together with practice and performance suggestions, should help pianists unfamiliar with these works to begin their study effectively. "Elegie, Op. 3, No. 1" and "Melodie Op. 3, No. 3" are Federation Festivals 2016-2020 selections.

Book Information

Series: Alfred Masterwork Edition

Paperback: 40 pages

Publisher: Alfred Music (July 1, 1986)

Customer Reviews

This is quite a nice edition to play from, with lots of pedal markings and information about the pieces in the front. (Good for music exams) If you are looking for an original edition, though, than this is probably not for you. I am studying music at university, and try to get editions with as little editing as possible (especially as I'd already learned the piece in such an edition). But as this was the only publication that I could find that contained Rachmaninoff's Serenade Op 3. No. 5, I didn't have too much choice. Regardless of my preferences, this is a good little booklet and it is nice to have all the fantasy pieces of Opus 3 in one collection. The picture on the front is a pretty autumn landscape with a river, as opposed to the round orange and black circle as shown in the picture. Hardly makes any difference to the product, but I thought for a moment that they'd sent me the wrong item.

This is a very good piece with good printing and easy to read bars. I have enjoyed the Alfred

Masterwork Editions for other composers and will continue to buy them.
