National Book Awards. A tireless champion of the power of books and reading, he has created a new children's book imprint, JIMMY Patterson, whose mission is simple: "We want every kid who finishes a JIMMY Book to say, 'PLEASE GIVE ME ANOTHER BOOK.'"

We were excited to buy this book, but were very disappointed. There are cute drawings, but it is almost devoid of content. We are so disappointed,

Very disappointed, I expected so much more from Mr. O'reilly. I even asked several friends, one of whom a retired school teacher and she was shocked as well. I am an devoted listener of his show. Buyer be ware !Please look at book in store before purchasing. I hope the other book I ordered will make up for this!

I had bought 2 books for Christmas presents. Was shocked to find that the grammar is wrong! I was sadly surprised that Bill O'Reilly would put his name on this book.... and SO LARGE, TOO! Cute photos, but a total waste of money. The joke is on us. Thanks a lot Bill and James.

DISAPPOINTING. The questions on the left page did not always make sense with the word "please" on the next page. Did not hold my 4 year old's attention. It would have been better if the words "thank you" had also been used on alternate pages.

Extremely disappointed. I can't believe that bill would allow his name to be associated with something so pointless. The pictures are nice. The text was pointless & didn't make sense in some places. I feel like I was duped. To add insult to injury, they wanted me to pay the freight to return the book which was half the cost of the book. A one star rating is too high. I would give negative stars if I could.

Book was a disappointment. No story line; basically just illustrations.

I thought it was pretty weak, in fact I donated it rather than give it to someone. It just keeps saying the same thing over and over, really boring to me. I raised 5 kids and if I had gotten this as a gift I would have felt bad about not reading it to them. Sorry, Bill, I like all your other books, but this one for me, is a no go.

NOT a good book!!
