This book is really exceptional an effective than other books on this topic. I am an amateur musician and I purchased this book for knowing about the basic of song writing. Useful book! This book is great! IÃfÂçÃ â ÑÃ â„çve always tried to write songs and let my friends who can play the guitar sing it, but they donÃfÂçÃ â ÑÃ â„çt really like my lyrics, Now i know why!! This book really helped me when it dissectedÃfÂçÃ â ÑÃ â one popular song. The book is well written and easy to absorb and implement. Worth recommending!

This is one of the best beginner songwriting books it gets to the point on how to write a song and how to use your lyrics to move a song along I wish this would have been my first book I would have saved a lot of money this book explain it so well .

I heard being a song writer is a challenge compared to writing a short story, I find song writing a little bit more difficult.
