Cairo: The Family Guide: 4th Edition

Synopsis

Although there is a wealth of guidebooks to Cairo, this is the first to specifically target the needs of families with children. Cairo: The Family Guide provides all families living in Cairo "expatriate and Egyptian alike" with the resources and information needed to explore the city to the fullest. Organized by geographic area, each section begins with an overview of the area's history and residents. Then the authors take us on a detailed journey to the special treasures of each Cairo neighborhood, with photographs, line drawings, maps that pinpoint sites of interest, and plans of museums and other places of importance in the area. Each section also includes practical advice on how to get to each location, what to take on visits, opening hours, and much more. And, as many people know, an enjoyable afternoon means something entirely different to a six year-old than to a thirteen-year-old: to this end, suggestions are age-sensitive, and a variety of activities are proposed. Also included are a detailed historical timeline and a recommended reading list to help children and teens get in the mood for a Cairene adventure.

Book Information

Paperback: 280 pages

Publisher: The American University in Cairo Press; 4 edition (November 15, 2010)

Language: English

ISBN-10: 9774164024

ISBN-13: 978-9774164026

Product Dimensions: 8.2 x 1 x 5.9 inches

Shipping Weight: 1.3 pounds (View shipping rates and policies)
