Customer Reviews

With his debut series, "Attack on Titan," Hajime Isayama has enjoyed a meteoric rise from unknown to one of Japan's top comics artists.

Any manga or anime fan should have this series in this form. The art enlarged and up close is very satisfying to look at and the full color pages are very well done. The story is fast paced and has tons of action and character growth.

The story in general of this manga is awesome, at the beginning I didn't like the drawings too much, but as I continued to read they seemed perfect for the crudeness of the story.

My daughter loved this sampler and wanted more. This is one of her favorite mangas.
