The Little Blue Manuscript - Book Faber Piano Adventures (My First Piano Adventures)

Synopsis

The Little Blue Manuscript Book is the perfect writing companion for students who are progressing through My First Piano Adventure®. With 38 pages of large-sized staves, teachers and students have plenty of room for writing assignments and exploring composition. But there is more to this handy book than simply blank staves. Students receive extra support from an eight-page reference section covering note values, essential musical terms, staff orientation, how to draw clefs, and a simple introduction to composing with patterns. At the back of the book, teachers will find two pages of detailed assignment ideas for use in the lesson or for at-home writing.

Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the world's largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is a handy little book for students who love to write their own music or practice writing what they've learned in their Lesson and Writing books. I also use it to record weekly assignments.
