Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book has a great deal of Gospel music in it, but I wouldn't consider the music too advanced. It is somewhere between advanced beginner and intermediate. That said it has a lot of great gospel

hits in it; these are older songs, nothing contemporary. Good book.

This book has the old time spirituals/hymnals. I bought copies for my mother, aunt and myself. Bring back find memories and we love it.

Good selection of older songs with good arrangements....between simple and advanced so it's good for an average player.

I like the printing except some covers 3 or more pages.

Nice book of songs but not for beginners. I'm happy with it and the seller.

nice selection
