Dilbert 2017 Wall Calendar

Synopsis

The next time your own Pointy-Haired Boss asks if you're expecting any unforeseen problems, simply take a quick glance at your Dilbert 2017 calendar and make convincing reassurances that everything is under control thanks to the company's brilliant leadership. It won't really help with inane questions like that, of course, but you'll look impressive, and it'll give you another excuse to check out a Dilbert cartoon and remind yourself that things could be worse. An entire year of dodges and feeling better about your job are in this wall calendar featuring a blown-out character and a pithy quote. It also includes a free badge holder.

What started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.

Nice, big, plenty of room for writing in events for each day. But there's a HUGE typo in the February comic, so I'm knocking off a star for poor proofreading.

I always love Dilbert calendars! For some reason unknown to me I cannot ever find the Dilbert calendar in person. Fortunately [Amazon](#) is a very good way to buy this calendar at a competitive price every year for me. Thank you very much!

Dilbert is always a joy to hang on the wall. It was a Christmas gift for my son.

I bought these for my brother-in-law who is a huge Dilbert fan. He loved them!

Great calendar. Reminds me so much of what goes on at my work place.

I love Dilbert and that's my s fond year with the calendar. I took a star off for proofreading. It is not like there is a whole lot to read anyways and still there is a huge typo on February

It is what it is

Have to have one. Have had a Dibert wall calendar for about the last 10 years.
