## Customer Reviews

Jim Weiss's story recordings and books offer a welcoming doorway into the world's greatest stories from literature and history. His vivid retellings of the classics have received more than one hundred major awards from organizations such as the American Library Association, Parents' Choice Foundation, Oppenheim Toy Portfolio, and Film Advisory Board. More importantly, the stories form the heart of daily learning and meaningful entertainment in households and schools around the world. To hear Jim tell a story is to become swept up in the tale. He includes information about people and events behind the stories, and encourages children to read the original classics, on their own or with the help of more experienced readers. So listeners leave the storyteller's circle inspired to learn even more and to develop their own creative gifts. Jim Weiss believes the joy of reading, writing and creative activity begins in the presence of the storyteller. Have been a fan of Jim Weiss since I was a child and my Mother brought home the first copy of one of his cassette tapes. Of course Cassette is out of fashion so I purchased several for my mother to

work on replacing her collection. I bought a used copy from a third party seller who got it to me on time and in good shape. The disk quality is good and the recording is everything as expected from the audio cassette. A little on Jim Weiss - Jim is known as a great story teller. His works are story versions of biblical stories, animal stories, historical stories and many more. His voice is excellent and his usage of character voices etc. Make him an excellent source for small children. Remember he tells things in story form. for example his biblical tales aren't 100 % accurate but they are understandable to small children. He makes characters and people come to life. I will be purchasing again once I have my own children.
