On The Rebound (The Northern High Series Book 2)

Synopsis

I had it all figured out. The plan? Run. Run fast and never look back. I'm the new exchange student trying to make a fresh start from a past I'm trying to forget. And I can't let a soul find out what I'm running from. So I had a whole set of rules when I arrived in the States. Don't let anyone 'in'. Don't get dragged into the mean girl clique who runs the school crowd. And definitely, under no circumstances do not date Micah Jones, all-around hottie and basketball star with swoon-worthy brown eyes. I know how this ends. Because rules are meant to be broken. Despite my feisty rejections of Micah, I can't resist falling for him. And it's guaranteed to be a disaster. When dark secrets and sparks collide, there's no playbook for what could happen next.

Customer Reviews

First of all the writing is terrible. Sentences are repeated...words are spelt wrong. The grammar is atrocious. Second, the plot is stolen. I kept thinking to myself..I've read this before and then it dawned on me...Jordan Ford wrote this story in "the Red Zone". So I just stopped reading after a while..Don't bother.

I really didn't care for this book. It took a bit to understand what book was about. A lot of grammar mistakes and I had to go back and re read parts because some part didn't seem to fit. All in all I couldn't wait to finish the book to just get out of the boringness of it. I voluntarily read this free book for my review

This sucks because I read this book before I ever read *The Red Zone* by Jordan Ford (which I'm currently reading) and let me tell you, they are the exact same plot. The pranks happen in the same way. The drama unfolds the same way "foreign ex popular girl did something bad in her home country where she then runs away to America to have her nerdy foster brother have a crush on her while she flirts around other a popular jock" I'm just so over it. Don't know which came first or which came second but I'm giving both a one.

I enjoyed the story of Reyna and Micah. Once I got stuck into reading it, I couldn't put it down. It takes you on quite a journey and it's a fantastic ride. It doesn't matter what you have done or think you have done, someone will love you for you.
