Don't Meddle With My Daughter Vol. 1

Synopsis

Don't Meddle with my Daughter is the newest series from fan-favourite creator Nozomu Tamaki. Featuring a cape-crusading, mother-daughter super hero duo, known as The Eighth Wonder, this series is a superhero spoof that readers won't want to miss. When her daughter makes her debut as a superhero, Athena must leave the comforts of retirement and return to fighting crime so she can keep her daughter safe. But are the combined skills of these two super powered women enough to combat what the world has in store for them? Don't Meddle with my Daughter is a three volume manga series. Each volume will contain at least one full-colour illustration and be delivered shrink-wrapped. Meet "The Eighth Wonder" -a mother-daughter team of superheroes! Athena Flaruka, the original Eighth Wonder, disappeared twenty years ago after a battle with the villainous organization, Blowjob. Now, Eighth Wonder has reappeared - but it's Athena's daughter, Clara, recruited to fill her mother's superhero shoes. But, to ensure her daughter's safety, Athena must leave retirement behind and don her costume once again.
