AA-1025: The Memoirs Of A Communist's Infiltration In To The Church

Synopsis

Absorbing and compelling reading from beginning to end, AA -1025 Memoirs of the Communist Infiltration Into the Church is a must read for every Catholic today and for all who would understand just what has happened to the Catholic Church since the 1960 s. In the 1960 s, a French nurse, Marie Carre, attended an auto-crash victim who was brought into her hospital in a city she purposely does not name. The man lingered there near death for a few hours and then died. He had no identification on him, but he had a briefcase in which there was a set of quasi-autobiographical notes. She kept these notes and read them, and because of their extraordinary content, decided to publish them. The result is this little book, AA-1025 Memoirs of the Communist Infiltration Into the Church, a strange and fascinating account of a Communist who purposely entered the Catholic priesthood along with many others, with the intent to subvert and destroy the Church from within. His strange yet fascinating and illuminating set of biographical notes, tells of his commission to enter the priesthood, his experiences in the seminary, and the means and methods he used and promoted to help effect from within the auto-dissolution of the Catholic Church. No one will read this book without a profound assent that something just like what is described here must surely have happened on a wide scale in order to have disrupted the life of the Catholic Church so dramatically.

Customer Reviews

Unverifiable, but in the time frame of Bella Dodd and the later book "Goodbye, Good Men" (EXCELLENT), I would consider it credible.. fast read.

this was a gift for a friend he said he enjoyed this very much and that makes us happy thanks to you for carrying this

This book, by far, is the most horrifying text i have ever! Forget all the dystopic fiction that is published ..THIS IS REAL!!

I suggest this book for anyone searching for the truth. It has the ring of truth. I see it in action during this day and age.

It told the very revealing story of what has happened in the Catholic Church, and how Vatican II was sabotaged.....

Scary that this was planned must read and inform yourself of what is really happening to our Church!!

This book was very interesting and us Catholics are informed what goes on. This book is a must read by all Catholics.

I read this book about 8 years ago and again just recently. I had to keep turning back to see when it was first published because most of the things it describes are now taking place within the Catholic Church. I know that my Church will not fail because Our Lord promised it wouldn't when He said, "The gates of Hell would not prevail against her", but it is sad to see how decimated she is becoming because of the enemy within.
