There's No Place Like Home (Secrets Of My Hollywood Life)

Synopsis

After her brilliant run on Broadway and surviving the harsh concrete jungle of New York City, seventeen-year-old Hollywood "It Girl" Kaitlin Burke is back in LA starring in a sitcom with her former-nemesis-now-BFF, Sky. The show is a huge success! In fact, maybe a little too huge, Kaitlin realizes, after a bad run-in with aggressive paparazzi that puts her boyfriend Austin in danger. Once again, she wishes that she could have a normal life. But what Kaitlin doesn't realize is that her Hollywood life has had a positive influence on just about everyone she loves, and it takes a minor car accident and a nasty concussion to truly grasp how lucky she is. In Jen Calonita's sixth and final *Secrets of My Hollywood Life* novel, Kaitlin learns at last about the price of fame, the unending upside of friendship, and that there really is no place like home - even if it's Tinseltown.

This was the perfect finish to the series. I love the entire series. If you like this you should read the *Belles* series.

Sad to see Kaitlin go. I loved her coming of age stories. The author really made me feel invested in Kaitlin's story. I rooted for her success, and the success of her friends as well.

I like how real Kaitlin Burke seems and the real scoop on how Hollywood works. While reading it, I feel nervous, excited, and frustrated just like Kaitlin in the story. I would recommend it to all girls from 13-17

The weirdest and most interesting way to end our adventure with Kaitlin. I wish there were more. It was just so awesome I spent 4 hours finishing it and reading. I didn't read the whole thing in 4 hours though. You knew what I meant>

I just want to know if Kates and A get married but these books were amazing! I wish there were more!

I've been looking for this book for forever!!! It did not disappoint!!!

Amazing. It was perfect and some parts completely took me by surprise. Jen Calonita did very good with this book

This book had a huge twist that I couldn't get over! I read it in one day! Jen has done it again!
