Customer Reviews

I would recommended for beginners of the piano or keyboard. Directions very easy to understand. I think you will really enjoy this book.

Makes learning basic piano playing very easy. I love the progressions of lessons, and have had fun teaching myself basic chords and songs.

Everything was good.

You'll be playing blind folded in a couple of days. I'm talking classical music not chop sticks.

In as little as four months, with some patience and a half an hour a day, you too can learn the basics of piano playing. There are wonderfully clear written instructions and page after page of familiar tunes that will bring back memories and provide a lifetime of entertainment for anyone you play for. There are more than 50 songs including "Ode To Joy", "The Marine's Hymn", "Jingle Bells", and "Oh! Susanna". Each one is easy to play with numbers displayed for fingering and makes the beginner feel like a pro in no time. Even if you've never read music before, this book is a great value and an easy way to learn.
