Really great duets. Some are kinda hard, but I didn't want a book of super easy, simple duets and this book was exactly what I was looking for.

This book contains lots of good Christmas duets. My wife and I are low-intermediates, and we are able to sight-read most of the music without having to spend hours practicing beforehand. Perfect for our cello and flute duets. The book is spiral-bound, so the pages turn easily.

I have used this book many times - the arrangements are very good, and perfect to play on Christmas jobs or with the grandchildren!
