— About.com

Our grandson, age 7, is newly fascinated with military history. He loves this book, and will use it for

years! Remarkable photos and great detail! This is a wonderful series!

Want to look at what life was like for a WWI soldier. Well here's a glimpse on what it was like. Has the pictures to prove it and the events that made it happen. War really is horrible.

Very nice, kids love it. Really interesting.
