Customer Reviews

Andrew Robbins works as a professional artist from his home in northern Wyoming, where he produces mysterious paintings, non-therapeutic coloring books, and other projects of questionable worth.

Love , love , love this book ; so much fun !!

I gave this to my wife as she flew in to Columbus, OH - she loved it. I actually think it is the perfect book for anyone traveling through the airport. It is good for all ages, but has great humor that us

adults will enjoy. I will be buying lots more of these and we both highly recommend it. The humor is perfect. From the "Airport Scavenger Hunt" to the "Security Nightmare" (Find the contraband) coloring puzzle. I know of Andy through the "Cautionary Coloring Books" (R-rated) so these are nice in that we can give to anyone and know they will enjoy.

Once again Andy finds the humor in headline events...entertaining and educational!

Have really had a lot of fun doing this even if I am not on a plane yet. Kids also love it.
