Synopsis

Customer Reviews

Two things IÃ¢Â™ve learned in life are as follows one you are part of the problem or your part of the solution. Two you can give a man a fish and feed him for a day OR you can teach a man to fish

and feed him for a life time. I've given a lot of these books to the juvenile court for the councilors, and took some to the prisons there should be only two things allowed in their cells one a Bible and the other is an occupational hand book. Once they have seen this they can't complain. I've done something for God and humanity.
