# Wild Cards VI: Ace In The Hole

## Synopsis

George R. R. Martin and science fiction's top authors delve into the adventurous superhero universe Wild Cards in the sixth book of this fan-favorite series. Since a strange alien virus created the superhuman beings known as Aces and Jokers four decades ago, they have struggled for respect and recognition. Now they are key players in a presidential convention torn by hatred and dissent. Assassins stalk the halls of the convention, and one of the candidates plans to use his secret Wild Card power for evil. Travel on a journey of intrigue and adventure in this collaborative novel edited by number-one New York Times best-selling author George R. R. Martin and written by five of science fiction's most imaginative talents: Stephen Leigh, Victor Milan, Walton Simons, Melinda M. Snodgrass, and Walter Jon Williams.

## Customer Reviews

Another winner in the Wild Cards series! G.R.R. Martin's world of aces, jokers and everything in between have clearly invaded American politics, and the dense story unfolds like an intense drama on the big screen. I can't get enough of this series; can't wait for the next one.

This is of course part of a series, but the editor has kept a consistent standard of writing and plot. The stories are sometimes brutal and explicit, but characters are usually well-developed. You don't have to read this in sequence, although I did, and it is probably easier this way.

Ace in the Hole (Wild Cards #6)by George R.R. Martin (Editor / Author), Walter Jon Williams

(Goodreads Author) (Contributor), Victor MilãfÂ¼n (Goodreads Author) (Contributor), Melinda M. Snodgrass (Goodreads Author) (Contributor), Stephen Leigh (Contributor), Walton Simons (Contributor) The Puppet master using his wild card gifts he tries to subvert the presidential election now a strong political piece, the violence and temperament keep you wishing that somehow or other the man does not get the presidency using his power secretly a wild card attempts to overcome the prejudicial and hatred of the people to become president of the us. The Puppet master manipulates the people around him in a dynamic and explicated way that brings down the whole deck of cards.

Much more political than the other Wild Cards stories, obviously, but a political thriller mixed with super powered beings makes for a good story.
