Calm Through The Fire: A Christian Romance Novel (On Fire For Christ Book 4)

Synopsis

Twenty-nine year old Dominique Mitchell is the beautiful mother of an eight-month old baby daughter. She thought she'd married the love of her life when she exchanged nuptials with her baby's father – a successful attorney, James Bennett. However, James ends up being both verbally and physically abusive towards Dominique, forcing her to eventually divorce him. Fearing for her life, she goes into hiding. When she unexpectedly runs into Kevin Gates – the boy she'd had the biggest crush on back in high school – she quickly notices that he's not a boy anymore, but a handsome, saved brotha with a heart of gold. Because of James' rough treatment of her, Dominique's emotional state is caught in turmoil. However, God is merciful and more than able to give Dominique calm through the fire and a second chance at love.

After leaving high school and taking different path does divine intervention lead us back to that person. It's only God that can orchestrate our live in that manner. In spite of the struggles and test we have to endure God has the final word. Good read

This is another great book .I enjoy the story.The characters were so real.I hope there's a book about Asia and Tyrone coming soon.

I'm glad Dominique was able to move forward with her future. Kevin was perfect for her. Wonderful job.
