Transfigured: Patricia Sandoval's Escape From Drugs, Homelessness, And The Back Doors Of Planned Parenthood

Synopsis

When Patricia Sandoval worked at Planned Parenthood, they told her, “Never tell a soul what you see behind this door.” So now she is telling the world. *Transfigured* is, however, so much more than a compelling tool in the hands of pro-life and chastity advocates. It is the riveting life story of a young girl who felt abandoned by her parents, and after three abortions and work at an abortion clinic, became a methamphetamine addict living on the streets until a miracle occurred. Ms. Sandoval is now a full-time international pro-life and chastity speaker in high demand, telling her story to captivated audiences of up to 12,000. Young and old travel for hours, sometimes across country lines, not only to hear Ms. Sandoval’s testimony, but to thank her for changing their lives. And through the written word, this outstanding autobiography is bringing the same healing love, mercy, and hope that God gave to Patricia, directly to the reader’s heart.

TRANSFIGURED is one of the most amazingly honest, heart wrenching and inspirational stories you will ever read! I couldn't wait to learn what happened next! I found myself reflecting on my own journey, on God's truth, and his continued mercy in my life. Sadly, truth is painfully difficult to find when we look to today's world for answers, especially when it comes to navigating broken relationships and dating. The wonderful thing about this book - there's truth on every page for the reader to digest! Patricia's story will leave you in awe of the power and beauty of a child-like faith in God and trust in Divine Mercy, despite our brokenness. I'm thankful the Church continues to give us the gift of dramatic conversion stories and examples of great saints in the making!

TRANSFIGURED is a MUST READ. The life story of Patricia Sandoval is masterfully authored with astounding miraculous accounts of BIBLICAL proportion for believers and non-believers alike. Truly, with God, ALL things are possible! Read Transfigured. Be transfigured. - Brian K. Kravec, Co-Founder & Executive Director, Possibility Productions

I say to you, not even in Israel have I found such great faith" (Luke 7:9). Patricia is a blessed daughter of God the Father and a woman of great faith. One of my first memories of Patricia was twelve years ago when she shared with me that whenever she prayed the Rosary she would invite the saints by name to pray with her. What real and living faith! Today, the saints are her family and friends working miracles in her life and all the lives around her. Transfigured is truly a touch of God that will leave a mark on your soul, a powerful testimony of the love of God which inspires great faith and shows the nearness of heaven to us all. Through this testimony and story, I believe many will be renewed in faith and fall more in love of God, as I did, creating a bright light shining in hearts across the globe.

I literally could not put this book down until I finished it! It is a fascinating true story of how Patricia Sandoval survived drugs, traumatic relationships and homelessness to find freedom and joy in the Lord. Patricia's story reminds us that God loves each of us immensely no matter how far we've fallen. This is a story of redemption and how God can bring healing to anyone and that when we turn to Him he will turn our tragedies into His victory. Patricia now helps thousands of people around the world by sharing her story of healing and how God has transformed her mind, body and soul.

Transfigured is a powerful story of surprising grace and redemptive love. Patricia Sandoval committed what some might consider unimaginable actions, yet God never abandoned her. He remained a faithful presence, gently leading her toward fulfillment and joy in embracing the divine will for her life. In doing so, she has in turn led hundreds of thousands of people to seek spiritual healing and encounter saving mercy. I read this captivating book overnight. Transfigured inspired me to reflect on God's purpose for my own life and how God's call has manifested itself personally to me. It also helped me realize that what we may consider life's failures may actually be great graces, and that God can win us in our failures.

This is a life-changing book! Patricia's story has so many twists and turns, keeps the reader deeply engaged, and offers so much hope to all of us who are messed up. Divine Mercy is for everyone, and Patricia's story has deeply touched my heart. If you know someone who thinks they can't be forgiven, thinks they can't turn back to God or go back to Church, or a young person who is going down a wrong path, this is THE book to get them. God bless Archbishop Salvatore Cordileone and Bishop Baker for their strong endorsements of this incredible book!

It's been years since I couldn't put a book down. Father Donald Calloway was right. This book is truly made for the big screen. It takes you on an unforgettable journey and leaves a beautiful imprint of healing on the soul. If you are ready to be inspired and need more hope and healing in the broken places of life, I highly recommend reading this book.
