Synthesis: Legal Reading, Reasoning, And Writing, Fourth Edition (Aspen Coursebook)

Synopsis

Synthesis employs a successful step-by-step approach to effective legal reasoning and writing skills, teaching students how to think like a lawyer: how to read the law, how to reason a client's situation, and how to write about the case in different legal forms. One solid case file--the HomeElderCare case involving the unauthorized practice of law--is used to demonstrate how to carefully analyze a case from the initial client interview through appellate argument. Maintaining a pedagogy designed to teach students in a variety of ways, the text incorporates numerous charts and diagrams for visual learners. Exercises--based on tort law issues that are particularly accessible to first-year students--provide opportunities for active application of skills. Also included is complete coverage of memo and brief writing. Features: Utilizes a step-by-step approach guides students through effective legal reasoning and writing tactics Teaches how to think like a lawyer how to read the law how to reason a client's situation how to write about the situation in different legal forms Uses one case file the HomeElderCare case involving the unauthorized practice of law demonstrates how to carefully analyze a case from the initial client interview through appellate argument Maintains a pedagogy designed to teach in different ways, with numerous charts and diagrams for visual learners Employs vigorous exercises based on tort law issues particularly accessible to first-year students provides opportunities for active application of skills

Customer Reviews

At times, law school makes me want to slit my wrists but this book helps to learn the basics.

It is a very good book. I should have read it earlier.

it is a new one and required by the professor

a great book for learning how to think like a lawyer because if you can write like one, you are thinking like one. you get to learn words like *passim*, *temperate*, *allusion*, *epistrophe*, *anaphora*, *inter alia*, *pilferage* and much more. and you get to learn how to present things like a lawyer would.
