Dragon Awakened: A Reverse Harem Post-Apocalyptic Erotic Romance (Shifter Sexual Encounters Book 7)

Synopsis

When the dragons came, their shadows stretched over every continent, blocking out the sun. Then, in the blink of an eye, every man on earth vanished. Since that day, there are terrifying rumors of what happens to the women unlucky enough to stumble upon a dragon-shifter. But what if the women chosen by the dragons are actually the lucky ones? Faith can't believe it! She likes the feel of her dragons. The taste of her dragons. The sensations of her dragons inside of her. But before things can progress further, she needs some answers. She knows they want her body. But do they want her heart? And why is it that she feels as if she's known them in another lifetime? There's something strange going on, and she's determined to find out what, no matter how much her demands frustrate her impatient shifters. Their touch is awakening something new inside of her. Only, once it's unleashed, they all might be in for a very sexy surprise. ~ Dragon Awakened is a 2,000 word short erotic romance, including a human woman and her harem of sexy dragon-shifters. ~
