Bedford Introduction To Literature: Reading, Thinking, Writing

Synopsis

The Bedford Introduction to Literature is a best-seller for a reason: It brings literature to life for students — helping to make them lifelong readers and better writers. Classic works drawn from many periods and cultures exist alongside a hefty representation of today's authors, including women, writers of color, and voices that reflect the quirkiness and humor of modern life. There is plenty of support for students, with a dozen chapters of critical reading and writing support, helpful sample close readings, writing assignments, and student papers. And, because everyone teaches and learns a little differently, there are lots of options for working with the literature, including in-depth chapters on major authors and case studies on individual works and themes that everyone can relate to.

Book Information

Hardcover: 2272 pages

Publisher: Bedford/St. Martin's; Ninth Edition edition (February 21, 2010)

Customer Reviews

Michael Meyer (Ph.D., University of Connecticut) has taught writing and literature courses for more than 30 years — since 1981 at the University of Connecticut and before that at the University of North Carolina at Charlotte and the College of William and Mary. His scholarly articles have appeared in distinguished journals such as *American Literature*, *Studies in the American Renaissance*, and *Virginia Quarterly Review*. An internationally recognized authority on Henry David Thoreau, Meyer is a former president of the Thoreau Society and coauthor (with Walter Harding) of *The New Thoreau Handbook*, a standard reference source. His other books for Bedford/St. Martin's include *Poetry: An Introduction* (2010), *The Compact Bedford Introduction to Literature* (2009); and

Thinking and Writing about Literature (2001).

i think there's a kanye poem in here. might be a dumb rumor started by upperclassmen, but whatever. i only read poems for analysis, but this book had a vast collection of great works of literature, including my favorite poem "do not go gentle into that good night" by dylan thomas. there's also a bunch of really sexually graphic ones that i dont really remember aside from the fact that i had the shocked reaction of "PEOPLE ACTUALLY WRITE STUFF LIKE THIS IN THE PAST?". think there was one where a guy was trying to get into a girl's pants by complimenting everything about her like her breasts that got really creepy real quick.

This was a great buy. Son is glad the class was over - it was an online class with a horrible teacher. This book has a lot of samplings of many different styles of writing.

This edition of an "old chestnut" does not disappoint. The collection is worthy of use in the college classroom which can also be said of all the Bedford editions. I am delighted to own it in my literature library.

Read this for an english class... its a good book and did have some interesting stories

Great product. Arrived just as stated, like new.

My least favorite literature book of all time. We barely used this, and for a good reason; its terrible.

Pages falling out, pages ripped

Great conditions
