Synopsis

Each of the "My Little World" stories are standalone and you do not need to read the previous books to enjoy the current story. He was supposed to marry my sister before the accident. A year later he showed up on my doorstep and he made it very clear he was there to claim me in her place. I resisted, but Stark Bradford isn't the kind of man who takes no for an answer. He's a rich, powerful, and so incredibly hot. His estate is a homage to Victorian times, complete with a special room designed to break any woman who dares to resist him. He says he's going to break me and make me his Little Emily. I'm scared because it's exactly what I want him to do. Becca's Note: This is a 30,000 word novella that was previously released as the a short story titled "Little Emily." -- It has been expanded to a novella with new scenes, new characters, a LOT more passion. This is a dark, age play / ABDL story with a happily-ever-after, no cliffhangers, and no cheating. For a limited time, you get bonus content and a special low price.

Customer Reviews

This is a interesting story about a dominant man seducing a submissive woman. It is well written and I enjoyed reading it. What I did not enjoy were the many typographical errors many of which could have been caught with spellsearch. This is also true for the other 5 stories I have read by Ms Little. She badly needs to get some competent beta readers.profmjc

Another fine job from Becca Little. I know the series is labeled as dark but this one is DARK and a little twisted. It involves some nonconsensual acts- and has an old Victorian Era feel. Not my cup of tea- but a well thought out story.

I felt that these two stories were based on power and control and bordered on S&M. Not enjoyable for me,sorry.
