Some VERY nice arrangements of popular songs... I'm just an average piano player, but.. I've

already found several in this book that are VERY playable... I'm Yours, Falling Slowly, 21 Guns, Complicated, New Soul. I have a hard time picking sheet music... it always seems music is either 1) TOO HARD for me to play, or 2) SO SIMPLE, it doesn't sound right. I prefer the music to be CORRECT, and let me just figure out which ones I can play... As long as I get 2-3 from a book, I'm usually happy... I already have 5-6 from this book.. and, see a couple more I can probably learn.really nice compilation.

My kid is a piano laying fool!!! She can pound those keys like an old honkeytonk blues player, so if I am going to listen to her get after it on the piano, I might as well hear some of the jamming tunes I grew up with. The collection of tunes inside this book of piano music has most of my favorites, so I like it and she enjoys playing them for her old dad so everyone wins!!!

These are fun songs to play, but they're a little difficult for beginning pianists. I took lessons as a kid, but I much prefer playing the piano as an adult. I am getting pretty good at 21 Guns and Falling Slowly, and there are a few other songs that I can tackle, but many of these pieces are above my skill level right now. The key signatures are often (to me) a little complicated. Overall, I'm satisfied with the quality of this book, but I think I need to work harder to really appreciate it.

As described and shipped fast

Ordered as gift and they were thrilled with quality, price and shipping!

This book is so much fun! It has everything the for the beginner to the professional. Wonderful collection of songs as well. There is something for everyone.

The arrangements in this book are very good, and include many of the background notes that some sheet music arrangements don't add. Not all of the songs have the melody line in the piano part, but it can be added by using the vocal line if necessary.

Everything I had expected in a music book. Pretty easy and would recommend for anyone intermediate skill level.
