Sherm The Germ

Synopsis

Baby play, baby play, all day, hooray! Suddenlyâ€“aachoo! Sneeze, cough, boo-hoo! Shiver, rashy, fever, squirm, oh noâ€“Sherm the Germ! A Babyâ€s perfect day of play is interrupted by an unwelcome, microbial visitorâ€“Sherm the Germ. Written by a pediatrician and brought to life through playful illustrations, this fun, rhyming book describes the stages of becoming sick and then getting better. A perfect read-aloud for those wishing to get well soon or any budding physician, this board book uses a loveable character to teach readers on the basics of what it means to catch a cold or virus and how the healing process works.

Customer Reviews

â€“These books work on so many levels, with poetry to hear, pictures to talk about, and a powerful message. They give children just the sort of delightful and mind-expanding experiences they need, while leading parents to see the childâ€s world through a creative and joyful lens. Wonderful medicine for an overly electronic age!â€“ Dr. Robert Needlman, MD, associate professor of pediatrics, Case Western Reserve University School of Medicine, and cofounder, Reach Out and Read, on the Baby Unplugged seriesâ€“These are the kinds of books that will bring you and your child together over and over again as you snuggle and read - colorful, welcome additions to your bookshelf.â€“ Shari Schmidt, OMB (Oh My Books) ChicagoNow blog, on the Baby Unplugged seriesâ€“Bright, creative and perfect for young readers just getting introduced to books. Babies and toddlers will love these books as well as the

others in the series. According to SocialCafé Magazine, on the Baby Unplugged series

Dr. John Hutton is a pediatrician, an author, and the owner of the award-winning blue manatee children's bookstore in Cincinnati, Ohio. He is the author of *Sleep Baby, Safe and Snug* and the award-winning *Baby Unplugged* series and the founder of the blog *Baby Unplugged*, whose mission is to help keep children screen-free until age three and promote healthy, developmentally stimulating alternatives. Maria Montag is an artist and a children's book illustrator. They both live in Cincinnati, Ohio.

Much more simplistic than I realized. Gave it to the 1 year olds in our school, as its much more suited to them.

Love this story. Such an easy way to help teach kids about germs. The pictures and storyline are easy and interesting for the young ones to follow.

Hilarious. I bought this along with some other children's books about germs for my boss. I call them "training materials" for our office space.

Love this story! So cute and there is a video on you tube that has sherm the germ in it. Also there is a file available about sherm the germ on teacherspayteachers.com.

Love the book. Bought it for my grandchildren. The rhyming words with the colorful illustrations make for a great story for kids.

perfect, as promised

Board book- cute message!
