The Easy Broadway Fake Book (Fake Books)

Synopsis

(Easy Fake Book). This addition to our popular series for faking neophytes features 100 fantastic Broadway tunes from more than 60 shows! All songs are in the key of C with large, easy-to-read notation, and chords that have been simplified, but remain true to each tune. Songs include: All I Ask of You * Any Dream Will Do * Bali Ha'i * Beauty and the Beast * Bewitched * Bring Him Home * Camelot * Comedy Tonight * Consider Yourself * Edelweiss * Getting to Know You * I've Grown Accustomed to Her Face * The Impossible Dream (The Quest) * The Lady Is a Tramp * Let Me Entertain You * Luck Be a Lady * Mame * Memory * The Music of the Night * My Romance * On the Street Where You Live * One * People * Seasons of Love * September Song * The Surrey with the Fringe on Top * What I Did for Love * and more. Includes all lyrics.

Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This Easy Broadway Fake Book has over 100 songs, arranged alphabetically in the book, including

a wide range of show tunes that I expect would include most people's faves. If you're new to "fake" books, they include just a song's melody, lyrics, & simplified chords--all in the key of C. The notation is larger font, makes it easier to read. This is my first "fake" book purchase as a beginner piano player, & I am happily surprised by the wide range of songs here, from many decades--"Camelot", "Get Me to the Church On Time", "Bali Ha'i", "All I Ask of You", etc.

This is one in a series of Fake Books. Some pieces I work on are really difficult, and this, is a great and easy distraction to sit down and play. I would say that as a beginner, you can easily get through this. As a more advanced pianist, it is a great outline that will offer you the opportunity to change the chords to make the piece sound more interesting. Good mix of songs.

Good song selection. In the interest of keeping with its title of "Easy", some of the chords in a few of the songs don't sound exactly correct. I use the book to do some gigging and for teaching. If you are looking for easy arrangements of many excellent popular Broadway songs, this is the book for you. Also, if you are an accomplished musician, and can add the missing complexities on your own, the book is handy to have on gigs to handle requests.

Nice for singers who are learning piano!

Bought to provide some music source for a personal keyboard. It gives some different songs. Good way to buy a product like this.

I have really enjoyed this book because I found a good number of familiar tunes. Also the chord progressions are quite challenging (more advanced) and that really makes me sound like I know what I'm doing! Great Book!

This is a great system and collection. The book is excellent for either beginners and musicians who like to let their creativity flow.

Lovely melodies from Broadway ; perfect for the medley player!
