Story Of Hawaii Coloring Book (Dover History Coloring Book)

Synopsis

Aloha and welcome! Now you can share in the colorful, fascinating history of Hawaii and its people. All the beauty and adventure of these magical islands are here in 43 skillfully rendered line drawings, along with interesting, informative captions. Trace these storied islands from their violent geographical origins, and the arrival of the first Polynesian settlers (A.D. 500), to Hawaii's statehood and on up to the present day. Illustrations include Hawaiian gods, paddlers in gourd masks, an ancient rock-carver, hula dancers, Hawaiian feather work and traditional costumes, plants and food, Queen Lili'uokalani, warriors, and many other intriguing subjects. This entertaining and educational book will delight colorists, students of Polynesian culture and history, and the many thousands of visitors to this state.

I am so happy with this simple purchase. My 5th grader had to do a state report. I looked for book after book that might hold his attention. We even downloaded a few short documentaries I thought he might find amusing. This coloring book covered everything required. It is so informative yet simple. It's concise and visual stimulating with geology, geography, sociology, history, culture and (art ÅfÅ Å,Å Å¤Å Åj). I learned so much. Plus I got to color while my son did his report.

This is a beautifully done coloring book that also gives great insight into Hawaiian culture and history. Anyone who has ever experienced a Dover coloring book will know what to expect - if you have not, I encourage you to try one out! They are wonderful for children, but also for adults, too! Coloring is very relaxing, and what better way to prepare for a trip to the islands than to color gorgeous drawings of hula girls, Hawaiian foods and plants, beautiful flowers, and historical figures. Great book, I highly recommend it!

I am from Hawaii and have the soul of the islands. The reason I ordered this childrens coloring book to use in tile painting, use as ideas for mural, etc. and touch my Hawaiianess.

This is a great book with a lot of information. I would love it if it was a regular book, and not a coloring book.

The drawings are appropriate and the blurbs are excellent. The book is a great intro to Hawaiian history.

Gave a good history of the island and liked the coloring, but it seemed to be more adult geared. My 6 year old was not into it.

This is a great resource for teaching children about native Hawaiian life. I have to remind my students to read as well as color, but they tend to remember the information better this way.

I find myself reading this interesting story of Hawaii. It's a fascinating history of Hawaii. Definitely my great-grandsons to enjoy listening and coloring this book. Would recommend it highly to any young or old child....(meant adult).
