Performance Analysis: An Introductory Coursebook

Synopsis

This revolutionary introductory performance studies coursebook brings together classic texts in critical theory and shows how these texts can be used in the analysis of performance. The editors put their texts to work in examining such key topics as: * decoding the sign * the politics of performance * the politics of gender and sexual identity * performing ethnicity * the performing body * the space of performance * audience and spectatorship * the borders of performance. Each reading is clearly introduced, making often complex critical texts accessible at an introductory level and immediately applicable to the field of performance. The ideas explored within these readings are further clarified through innovative, carefully tested exercises and activities.

Book Information

Paperback: 272 pages

Publisher: Routledge; 1 edition (April 28, 2001)

Language: English

ISBN-10: 0415224071

ISBN-13: 978-0415224079

Product Dimensions: 6.1 x 0.6 x 9.2 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)
