Hal Leonard Corporation is a Hal Leonard author.

Yes, it is all here...music from Oklahoma, Carousel, Flower Drum Song, South Pacific, State Fair, TV Cinderella, and the Sound of Music! What a collection! Once I start I don't want to leave the piano! If you love the music from these classic films you will love this song book. What a find!

Every popular Richard Rodgers song that one has ever heard is included in this book. Great arrangements for the intermediate player. Truly enjoy "The Carousel Waltz" which is very rarely found anywhere is included.

My wife and I are fans for Rodgers and Hammerstein music. I had studied their music as a teenager with voice and piano lesson from Grace Ziggler. We had also seen the movies and Music Circus in Sacramento with stage performances. I romanced my wife by singing her the sounds on an upright Baldwin piano. I will put up on You Tube a performance of Some Enchanted Evening from this book and using our new Roland F-120 Digital Grand Piano. I would have attached to this review but did not see where you could attach it.

Excellent collection of Rodgers and Hammerstein songs, from the most popular and well known to the often overlooked great for singers and musicians and those who like to pretend they are the next Voice!

I LOVE IT! Full of fun songs and great to sing along. A Must have for any collection. Package was fast and brand new.

Song book is excellent and well worth the money. We are singing our favorite songs daily!

I like this collection of some familiar and some not so familiar songs. Makes our musical tea parties that much more fun with variety and great music!

great collection of classics
