Deadpool: Drawing The Merc With A Mouth: Three Decades Of Amazing Marvel Comics Art

Synopsis

Explore the greatest art from over two decades of Marvel's Deadpool comics with this deluxe art book. This deluxe book celebrates over twenty years of Deadpool comic art, showcasing iconic covers, stunning panels, and other amazing art from the Marvel Comics archives. Originally created by Rob Liefeld and Fabian Nicieza as a minor villain for a spin-off X-Men comic, Deadpool has since gone on to become a cult phenomenon, headlining several ongoing comic book series and causing irreverent mayhem throughout the Marvel Comics universe. For the first time, *Deadpool: Drawing the Merc with a Mouth* tells the full story of the character's creation and evolution through interviews with the artists and writers who made him what he is today, including Fabian Nicieza, Mark Waid, Joe Kelly, and Reilly Brown. Filled with stunning art that showcases Deadpool's off-the-wall comics career, from his origins in the pages of *The New Mutants* to his outlandish adventures with the Deadpool Corps and his team-ups with Marvel Comics A-listers such as Spider-Man and Wolverine, this book is a visually striking journey into Wade Wilson's bizarre world. Featuring an exclusive cover by legendary Deadpool artist Reilly Brown and a selection of art that's more mouthwatering than a bucket of chimichangas, *Deadpool: Drawing the Merc with a Mouth* is an essential addition to the collections of comic book fans everywhere. The book also comes with an exclusive print of the Reilly Brown cover art.

Book Information

Customer Reviews

Matthew K. Manning is a comic book writer, historian, and fan. He has written many comics for

Marvel and DC Comics, including Beware the Batman, Batman, The Batman Strikes!, Legion of Super-Heroes in the 31st Century, Spider-Man Unlimited, and Marvel Romance Redux. When not writing comics themselves, he writes books about the comic book medium and its rich history. He lives in Asheville, North Carolina, with his wife, Dorothy, and their two daughters, Lillian and Gwendolyn.

If you consider yourself a diehard Deadpool fan you need this book. It's oversized and 180 pages of excellent art. They break it down to appearance and volume order and summarize the story of each detailing the artists and writers that worked on the book. It starts at NM 98 and goes all the way to the current run and Uncanny Avengers.

I received this for Christmas and the person that bought it for me knows me awfully well. This is a case of the sum of the parts is greater than the whole. If you like Deadpool, you will love this book!! Most highly recommended!!

It was a perfect gift for my boyfriend.
