Customer Reviews

I bought several of these figurine sets and every Jesus figurine looks the same. I wish the manufacturer would give him a different color tunic in some of the sets and change his stance too. Also, there needs to be FEMALE figurines. I use these sets for many Bible stories in Sunday School and have no figurines to play Mary, Abigail, Deborah, Eve, Rebekah, Sarah, Martha, Miriam, Ruth, Naomi and so on. PLEASE make more sets and include women.

My son was in love with this toy. He used to make all his toys be Jesus (he couldn't understand why they sold so many superhero in stores and not the Jesus hero!), so I finally searched out an actual Jesus toy. Thought this was good because it came with the little book that looks very similar to my boy :) It was definitely a hit! Came with a cute little book of the story, and the toys. It still continues to be a hit, and it's funny hearing around the house "WHERE THE HECK DID I PUT JESUS?!" or "Mom, can you help me find Jesus?!" or "Spiderman, get out of the bathroom, Jesus has to pee!" So we just love it! Random side note though: Jesus' face is a different color than his hands and seems to possibly be fading. A bit odd... but not anything my kid cares about.

Meh. I was pretty excited to get this...based on the pictures. However, my Jesus' hands, feet and face don't match. Plus there's paint missing on the back of his robe. Maybe I was given a used set. It looks nothing like any pictures I've seen. I'm embarrassed to let anyone even see this.

Terrible paint job. Do not buy.

We have several of these sets. They are cute and help Sunday School lessons "come to life". My only word of caution..... some of the figurines "skin" turn green over time. I'm not sure if it is because they were near a window, or if it was just age. But in a few months several turned green. Oh well.... the figurines are still cute and now the boys think it is funny that half the disciples are green.

It is not easy to find action figures from Bible stories, and I really wanted one of Jesus. This set is good enough, although small. The Jesus figure is 2.75 inches tall with a disproportionately large head, but that won't bother my grandson. The eyes look strange, but I might be able to fix that with paint.

It's really cute, but the items in the basket are incorrect. The Bible says there were 5 loaves and 2 fish, but product has 2 loaves and 5 fish. I will have to somehow change it before I can use it for teaching.

I wanted something to entertain my 1 year old twin boys during church service. They like to play with these and I'm sure they will appreciate them even more when they are a little older.
