Todd Ouren has been a professional artist for over 20 years. Todd has illustrated and designed numerous award-winning books and greeting cards. Raised near Fergus Falls, Minnesota, Todd now lives in Mankato, Minnesota with his wife and three boys. In our spare time we enjoy watching our kids play sports, traveling, hiking, kayaking and spending time at the lake. Todd Ouren is a published author and an illustrator of children's books.

I picked out this book to use in an ESL class but it might be more useful for a Spanish language class. The only drawback I saw for the latter was it had two religious pages in it (The day of the dead, and Mary) I don't think it is appropriate for young children.

The items used for examples of each letter do not really do a good job of representing Mexico or it's

culture. It seems written by someone who has a 70s era mindset of what Mexico is like.. but has never visited.

I bought this books for my third grade Spanish Dual-Immersion class. I just wish they had a version in Spanish.

great book. used it for a class culture day for my daughter's preschool. paired it with a burro piÃ±ata and the kids loved it.
