Hymns With Chords: Level 2 (David Carr Glover Method For Piano)

Synopsis

Teachers asked Carole Flatau to arrange a collection of hymns for the Glover series. Their requests have been answered. This folio contains 28 hymns in singable keys -- each piece is usable as piano solo or as accompaniment for singing. The arrangements, of course, are pleasing to the ear as well as to the fingers. This collection will be a worthy supplementary book to use with the David Carr Glover Method for Piano or with any other piano method.

Customer Reviews

I have ordered these books over and over again. They are excellent for a new reader. Also a good opportunity to learn to create simple arrangements rather than just playing the chords as written.

As a piano teacher I am always searching for useful tools. This book was perfect for my student who is learning to read music and play by chord sheets. This book will allow him to practice both and teaches him some of the most beloved hymns.
