Lippincott CoursePoint For Hinkle & Cheever: Brunner & Suddarth's Texbook Of Medical-Surgical Nursing

Synopsis

Lippincott CoursePoint is the only integrated digital curriculum solution for nursing education. CoursePoint provides a completely integrated and adaptive experience, all geared to help students understand, retain, and apply their course knowledge and be prepared for practice. CoursePoint is structured in the way that students study, providing them the content exactly where and when they need it for a more effective learning experience. The powerful integration of adaptive learning, powered by prepU, with the premium digital course content provides a personalized learning experience that drives students to immediate remediation in their course content and allowing instructors and students assess their progress in real-time. The digital textbook is downloadable, so students will have perpetual access to this content. Readability, reliability, and robust resources combine in this outstanding nursing text and reference. Designed to prepare nurses for medical-surgical nursing practice and for success on the NCLEX, Brunner & Suddarth's Text of Medical-Surgical Nursing, 13th Edition, has been a favorite resource for students, instructors, and practicing nurses for almost a half-century. Its comprehensive yet accessible approach covers a broad range of medical conditions while focusing on the nursing process and the nurse's role in caring for and educating patients and families within today's complex health care delivery system. This edition focuses on physiologic, pathophysiologic, and psychosocial concepts as they relate to nursing care and integrates a variety of concepts from other disciplines such as nutrition, pharmacology, and gerontology. Coverage of the health care needs of people with disabilities, nursing research findings, ethical considerations, and evidence-based practice provides opportunities for readers to refine their clinical decision-making skills. Fully updated and enhanced, this new edition provides a fully integrated solution that promotes clinical judgment, performance, and success on the NCLEX examination and in nursing practice.
