Customer Reviews

Splash 1 - watercolor - has a bit more abstract themes than some Splash. It was OK, just not one of my favorites.

Great condition, great value.

I have a couple of Splash books and think they are great because you get to see such a wide variety of styles and paintings using different mediums. I look through them when I am looking for inspiration for a painting

Love looking at these books. This is the first issue of the series. It was reasonably priced and arrived in great condition. I'm working on collecting the whole series, 1-14.

All the books of "Splash" are the best ones for Watercolor! I lost this one long time ago and I'm happy I was able to buy it again. Thanks a lot!!

Must have for your art Library

Great reference book.
