Customer Reviews

The title of the book really says it all! As I read through the guide, I felt like I was really in Madrid being taken through all of the key sites. I enjoyed the way the book was written as it didn't just

contain facts about it each place, but stories that brought each site to life. You can really tell that the authors lived in Madrid as it has more of a local feel than other guidebooks I have (tried to) read in the past. It is difficult to write an engaging guidebook, but Isabella and Tatiana nailed it. I am already thinking about planning a trip to Spain for my family.

This book is great! Most travel guides are boring and written like a textbook. This one covers all of the important locations with a lot of interesting facts without feeling like you are studying for a final. Also the personal tone and stories make it feel as if the authors are giving you a tour in person. This is a great tour guide for families and people looking for a simple straightforward tour of Madrid

VERY EASY TO READ. YOU GET A QUICK AND SIMPLE IDEA EVEN FOR MADRID'S HISTORY !!NOT TO MENTION THE FACT THAT YOU DON'T HAVE TO THINK WHAT PLACES TO VISIT. ALL IS THERE !!!THE GIRLS HAVE TAKEN CARE OF YOU.....!!!! ENJOY MADRID !

The most brilliant travel book! with only two short sounding days in Madrid I got to get the most rounded and brilliant range around the entire city I couldn't have had any other way. Bravo! wonderful book. Highly recommend.

As with all great cities, there is lots to see in Madrid and sometimes not enough time to do it all. This book will help you plan your trip according to your preferences and you won't feel you missed anything thanks to the great descriptions, excellent tips, "need to know" pointers, and "interesting story" comments. It is written in a clear, straight-forward style that young first-timers as well as mature experts will appreciate. The maps, brief history, and smart order of the 50 (yes fifty!) spots is very helpful. All the places - from churches and museums to parks and sports arenas - are illustrated with recent photos, nicely explained, and organized by city sector. There is even a "Madrid in one day" planner on page 275 for those in a hurry! Having read this book I got such a lively taste of Madrid it makes me want to go back again! Although it's not pocket-sized, this letter-sized guide will fold easily into your bag and the tips and topics will always be relevant for the Madrid visitor. Vamos! Get your guide and call your travel agent!
